Fund Raising Raisins!

Dear Parents,

Over the next couple of days, the children will be bringing home a jar of raisins with a small poem attached to it, which is self-explanatory.

We wanted to highlight, that this fund raising activity has the potential to raise in excess of **£1,100**. It's amazing what a few raisins and coins can be turned into. In this case, it will go towards the deposit for the minibus.

Not keen on raisins as a snack?

Alternative ideas could be some raisin and oatmeal cookies, or maybe a colourful carrot and raisin salad!

This fund raising initiative gives the children the chance to really be involved and make a difference, and your support is most welcomed and appreciated.

Kind regards

FOMM
