

January 30<sup>th</sup> 2017

## Quiz Night

Thanks to all who joined us on Saturday for the Quiz and Curry Night at Primary. It was a full house, and there was a great atmosphere! We are hoping to make this an annual event, so if you enjoyed the evening do tell others!

## Minibus

I think we would all agree that the minibus looks amazing, and with the logos, not one that will go unnoticed on the roads! With your help, FoMM was able to contribute £3,000 toward the deposit, so thank you!

As you may know, the school needs an occasional driver that has a D1, Group 2 category on their license. For this they will have sat a separate test. Do you know of someone that might hold such a license, perhaps a retiree bus, coach or minibus driver? If so, please could they contact Serena via email. An enhanced DBS check would be required, which the school would be happy to sort out for the right person.

## Hot Lunch Helpers Needed

Could you help serve Chinese hot lunch on Tue 28<sup>th</sup> February at Pre-Primary, or Wed 1<sup>st</sup> March at Primary? Your class rep will be happy to hear from you if you can lend a hand.

## Match Funding

Did you know...that if your company offers Match Funding, and you were to sell raffle tickets at one of our events, that your company would likely double the sum raised!! This could easily turn £500 into £1,000. If you work for a company, and would like to support FoMM and the children of Meadowbrook, please make an enquiry via your intranet or HR department and help us to double our funds!

Hope you have a great week.  
Kind Regards  
FoMM
