An extra special thank you goes to Ingrid, Freya Tomas Webb's Grandma (Reception), who worked like an absolute Trojan from early until late.

I think that you would all agree that our children go to an outstanding school managed and staffed by a wonderful team. Thank you for all your support in making their experience at school *even more* enriched with all of your contributions.

Dependent upon receiving your coin filled raisin jar bottles back, we are hoping to increase Serena's shopping budget by the end of term – (though strictly no heels or handbags on this list)

With kindest regards and sincerest thanks once again.

Zoe Steed and the FoMM Committee
