

Monday 6th March 2017

Our Endeavours

It will be evident to all parents with children at Primary that the Jungle gym equipment needs an upgrade. As a charitable organisation FoMM is seeking funding through various means to make provision for new equipment. The gym is a big ticket item, and a grant will go some way towards its realisation. In the meantime, we will be adding profits from FoMM events to the Jungle Gym pot. Your continued support is most appreciated.

Chinese Lunch

Thank you once again to our volunteers that helped to make the lunches run smoothly on Tuesday and Friday. With parental help we hope to continue the tradition for the children.

Spring Treasure Hunt

This is a nice opportunity for families to spend time together working as a team on Saturday 25th March, the day preceding Mother's Day. Posters and sign-up sheets will be going up this week for this fun event. You will be solving clues and gathering evidence on your route around the local area. The Treasure Hunt is suitable for all ages. Start time is 10.00, finish time approximately 12.00 midday (with loo breaks along the way!) Food is available for purchase at the finishing point. Price per car £10. Please place monies in the small envelopes provided, noting your name, number of team members in your car and your telephone number. Prize - the prestigious FoMM Treasure Hunt Trophy!

Phil the Bag

Please start to put aside any useable unwanted items such as clothes, shoes, belts, hats, uniform, sheets, pillowcases and bring them to school before Friday 28th April. Last time we achieved over half tonne which earned £178!!

Residents of the Royal Borough of Windsor and Maidenhead

We are in-line to receive £1,000 from the Greenredeem household recycling scheme. These are the blue wheelie bins where you dispose of paper, card, tins, glass food jars and plastic bottles, **but we desperately need your help!** We were hoping to be awarded £1,000 at the end of January, but we have fallen behind in the rankings. (The top 5 causes are awarded £1000 every 3 months) Please could you consider donating your points to Meadowbrook. The £1,000 would give us a significant start towards the jungle gym equipment for the children.

You can of course ask friends and neighbours if they would kindly support our cause. One neighbour of a class rep donated over 20,000 points, and was very pleased to have put them to good use. You can also earn extra points each week by taking a short quiz or making a pledge, which also raises the eco awareness of the children.

Please visit www.greenredeem.co.uk to sign up and/or donate your green redeem points. If you need any help with the Greenredeem site, and donating points, please contact FoMM on 07787 117700. Many thanks.

Hope you have a great week

Kind regards
FoMM
