- After 25 years of trying, our new **School Minibus** is finally arriving on Friday 26<sup>th</sup> January! Thank you and well done to all those who have helped us to raise funds for the deposit through FoMM events. Although we are unable to drive it with Meadowbrook children in it (regulations, regulations) until some of us have passed another test, we will drive it at every opportunity as its striking livery will do a great job advertising our wonderful school.

- **SICKNESS:** Please be reminded to keep children away from school for 48 hours following any vomiting. This means 48 hrs from the last time they vomited NOT 48 hrs from when the bug first appeared. It is essential that all of us follow this procedure as do ignore it only spreads illness further
