

Dear Parents,

Please find below the last comms of this term.

We expect to take delivery a few weeks into term.

dates. It is never our intention to make changes at the last minute but the way in which registrations are issued and returned for these sessions is partly to blame. We are therefore changing the procedures so that places for P&T are filled a term in advance (the same as the rest of the school). That way, we all know where we stand and can plan accordingly. Registration forms for the summer term therefore, will be issued the first week of next term.

**INVOICES & END OF TERM PACKS:** We are aiming to issue these on the last day of term so please remember to check your pockets at pick up. If you are not going to be coming to school on Friday, please let Nicole know so that we can arrange to post your letter out. As usual, the end of term newsletter will be emailed out during the holiday period and hard copies will be available once term starts. Please remember to share the newsletter with your children when it arrives as they do all love to talk about their pictures and the many events and activities they have enjoyed over the last term.
