

Message from the Director of Education

Another busy week across the school and at last, the sunshine is beginning to make an appearance.

Thank you to those parents who replied to my call for a cup of tea and a chat about uniform last week. It was good to get your views and I think we are nearly ready to launch the uniform shop on our brand new website.

A final uniform list is attached along with these comms for your information. Prices are still to be confirmed but they will not be too different from those currently being charged. Please note that there will now be clear ordering deadlines for each term. These are due to the extended lead times (for the Bermuda's, 'potentially' reinstated culottes and M'bk kilts) as well as the minimum order restrictions placed on us by the manufacturers. We hope to be running a uniform stall at the Summer Fete and plan to hold at least one item in each size on site to aid you with the ordering process.

On an entirely different note, I would like to remind Reception parents that when picking up children from the Primary department, you are more than welcome to use the kitchen in order to make yourself a drink. All we ask is that you wash up after yourself! This goes for Primary parents and grandparents too. As your children enjoy playing in the grounds for extended periods of time after school, you may as well make yourselves comfortable!
