

AUTUMN 2016 CLUBS

Dear Meadowbrook Parents,

It's time to ask you to think about your child's club choices for next term.

Please complete and return the attached form.

Clubs are filled on a first come first served basis.

It is sometimes necessary to withdraw a club from the list because the minimum numbers required have not been met. If this happens, those children who have chosen a club (which is later withdrawn) will be informed and offered another club choice to fill their slot if possible.

Would you please **indicate clearly** your choices on the attached forms and return to me no later than Tuesday 7th June. **It is VERY IMPORTANT that forms are received back by this date to ensure club organisers are able to accommodate our requirements.**

Instrumental Lessons - we no longer permit lessons during school unless class teachers have agreed that the children can manage being removed from class. With the exception of Year 6's if you are currently having lessons we will assume your child will continue unless a half terms notice is given.

Please complete the club table indicating an instrument.

If you have any questions regarding clubs, then please do not hesitate to speak with us.

Kind regards

Nicole

**Clubs will begin FIRST week of next term unless stated differently on the
Autumn 2016 School Calendar**

TO BE RETURNED NO LATER THAN 7th JUNE

AUTUMN 2016 CLUB DESCRIPTIONS

3T SOCCER SCHOOL CLUB

The course is open to boys and girls. We provide all the bibs, footballs and cones to be used during the sessions and players need only provide themselves with shin pads, suitable clothing and suitable footwear (trainers and football boots). At the end of every session certificates are awarded to stand out players of the session. This is not based solely on technical ability but behaviour, spirit and teamwork amongst other contributing factors.

AFTER SCHOOL CLUB – Tuesday

Children will be able to complete homework and receive appropriate support in the process but they may also choose to work on a teacher given design and technology project, read, spend a limited time on educational computer games, sew, draw or just sit and read quietly. The afterschool club is simply for children whose parents need them to stay at school until 4.40.

ART CLUB – Years 3-6

Do you want to improve your drawing and painting?

Do you want to have fun exploring arty things?

Idea → Plan → Explore → Final

We can discover anything from fine drawing to action paintings.

Let's make art!
