Expert personal service at your convenience

If your child is starting a new school we recommend booking one of our personal shopping appointments for expert fitting advice that will save you both time and effort when buying a uniform. Your child will have plenty of time to try on their new uniform, with our advisors on hand to provide you with advice on both fit and appropriate quantities.

Our dedicated appointments service operates from the 4th July - 12th August (Monday - Friday), with time slots available between 9am - 11am and 5pm - 8pm.

Register online now to book your appointment

You will need to be registered on our website (www.stevensons.co.uk) before you are able to book an appointment, so set up your account today to avoid disappointment. We'll e-mail you to let you know when booking opens.

Quick ordering and offers

By creating a personal account online you will have access to all your future orders - in-store, online and by phone - making it quick to repeat purchase items or when your child requires the next size up. You'll also get alerts about 'pop-up shop' events at your registered school/s and school specific special offers, as well being able to download the most up-to-date uniform lists for your school or year group.
