Green Redeem - We did it!

After over a year of donating Green Redeem points we made it into the top 5 worthy causes, and on September 30th we were awarded £1,000! The money will be put towards new folding chairs for the children's school performances and a mud kitchen! Thank you to all our RBMW parents who have been donating their green redeem points. Fantastic job!

Easy fundraising

Thank you! Another 13 parents have signed up in the last couple of weeks, giving us a total of 41 supporters, with the current amount raised nearly £600! Do remember to add in the Easyfundraising Reminder so you never miss an opportunity to donate; also the mobile app, if you shop on the go!

We have included a separate link in this weeks' Parent Comms that will take you straight to the sign up page. Your support is so appreciated.
