

Message from the Director of Education

Dear Parents,

Thank you to those of you who have responded to our call for old or unwanted iPhones. The request still stands so please let us know if you are able to help.

In addition to the new playground areas being delivered soon, the primary children have been set the exciting challenge of re-homing over 30 tyres that were illegally dumped on my route to school. After liaising with Wokingham Council, we were given permission to do our bit for the environment, collect the tyres and deliver them to the children...many of whom were already armed with

buckets of soapy water and scrubbing brushes. The children have

been set the challenge to design and construct new play equipment and areas of interest using the tyres....keep an eye on what appears in the playground over the next few weeks!

Plenty of activities going on this week to keep us busy...if you missed our FB round up from last week's events, we've included just a few in this week's comms to keep you in the loop.

As usual, keep in touch with your questions, comments and of course compliments either personally or via email below.

Serena

Healthy Lunch Boxes Reap Rewards....

Thank you parents for your co operation in encouraging our healthy Lunch Box campaign. The drive has really inspired the children to examine whether their lunches contain a 'balanced' meal and they appear to be enjoying the challenge of checking how many 'food groups' their lunch represents!

FACEBOOK ROUND UP...

THIS WEEK @ M'BK...

TODAY YR 5 & 6 enjoy a trip to Stonehenge. **TOMORROW (TUESDAY 10TH)** Yr 5 & 6 are back on the road with an outing to Avebury. Please remember casual school uniform and M'bk jackets
