A BIG Thank you!

Thank you to everyone who helped and supported the Christmas Fayre on Saturday. It was a really fun day. A special thank you to the 'MM Crew' street dancers for braving the chilly weather and showing us their slick routine. Particularly impressive I thought to continue without accompaniment. Great stuff! A big thank you too to Dave Goodman for doing over 3 hours outside on the BBQ in the freezing cold!

Putting on an event like this takes everyone pulling together,...producing poster artwork, putting up advertising boards, donating teddies and wine, wrapping empty bottles, baking cakes, volunteering on a stall, counting floats, labelling the tombola, selling raffle tickets, setting up, clearing away, and the list goes on. Thanks to everyone's efforts we are able to contribute over £760 towards extra equipment for the children. With all our other Christmas activities, our total Christmas sum should reach over £1,600! An amazing outcome for such a small community! If you would like to get involved in future events please let your class rep know and they will add your name to a list of volunteers.

As always, FoMM is open to your feedback on what you thought went well and what we might do differently. Please email us with your ideas at fomm@meadowbrook.uk or let your class rep have your comments. On that note...

Class Representative update

With immediate effect, Rosie Sands, our Year 5 class rep will be sharing the role with Lesley O'Donnell, mum to Alicia. We are really pleased to have Lesley on board as she has quite a bit of PTA experience and ideas!

Christmas Lunches

Sign-up sheets will be up today. We already have some volunteers who would like to help, but we could do with a few more to help prepare food in advance and to serve and clear up. Please contact your class rep asap. Dates: - **Pre-Primary Tuesday 5th December** and **Primary Wednesday 6th December**

OR, are you free to help serve drinks at the **Carol Service** on the evening of the **Wednesday 6th December at Primary** or at the **Christingle service at Warfield church on Thursday 7th**? Please see your class rep to put your name down.

Last, but not least...

We will be sending the stubs off shortly after we finish on the 7th. Any returned unsold tickets we can sell before then, so please bring them in!

Believe it or not, there is only one more weekly comms before we resume in January 2018! - How did that happen!?

Hope you have a good week, Zoe
