

Message from the Director of Education

Dear Parents,

Welcome to this week's edition of the M'bk Parent Comms.

As we hurtle towards the festive season, please take a close look at all the events and activities that appear on the calendar and support the school as best you can by answering any calls for help!

One such call this year is to help me with the making of Christingles. Traditionally made by my own fair hand along with the 'help' of 25 or so Upper Primary children. Whilst this is a noble endeavour, it is carried out at breakneck speed and consequently rarely does a Christingle make it intact through the service! What's more, they are generally very sticky which is something I've never dared to question. In order for them to be a little more robust this year, I am hoping that a small group of festive parents will volunteer to help me organise this year's operation. This will be done at school, with Christmas music playing to get you in the mood.

I will need about 2 or 3 helpers to assist the children and do the jobs that involve

sharp knives and great dexterity! Please let your class rep or Claudia know as soon as possible. We always make them the day before the

Christingle Service which this year is on TUESDAY 5th Dec.

Thank you in advance and best wishes for now,

Serena
