

Message from the Senior Management Team

Dear Parents,

A very special *thank you* to all parents who were able to attend the coffee morning on Thursday. The opportunity for everyone to express their views and opinions about wider school matters in an open forum, and to ask questions about future plans for the school, proved to be a valuable one for all those involved; so much so that the School has decided to hold an open-forum coffee morning after each termly FoMM committee meeting. This will benefit the Management Team by adding another element to our forms of communication with parents (an area we strive to excel in at Meadowbrook), and benefits parents themselves by keeping them up-dated with the School's plans and pending community activities. Look out for the next coffee morning in the Spring term.

Those of you at the coffee morning have undoubtedly thought more about the topics that were discussed. Should you have further questions or comments, please contact Serena or Barbara at:

serenagunn@meadowbrook.uk
barbara.osullivan@meadowbrook.uk

Well done to Upper Primary, who took part in a community litter-pick organised by Warfield Environment group, a volunteer scheme operating in our local area. Julie, after many

years of undertaking the litter pick, reported that there was much less visible rubbish this year, which is nice to know! The children were extremely well behaved; so much so, that Year 5 and 6 have been invited back to work on another community project later in the year. Well done Upper Primary!

Year 1&2 are visiting the Lookout in Bracknell Forest on Thursday, 18th October, to support their Science curriculum and take a walk in the autumn woods. If your child is in Key Stage 1, please provide them with a fully disposable packed lunch, with a drink. Crumbs will be providing lunchboxes for children who would usually have a hot school meal. Children are requested to wear uniform tracksuit bottoms, with trainers or walking boots and a light raincoat. Please provide them with £1 for an ice lolly.

This week, Her Majesty the Queen is visiting the Lexicon in Bracknell. The details we have indicate she will be there between 9am and 12pm on Friday, 19th October. Unfortunately, it has not been possible for us to make arrangements for the whole school to attend this event, but if you would like to take your child yourself, please let one of the team know.

It has come to our attention that some people feel there are incidents of inconsiderate driving and parking in the school car park. Please be reminded to drive carefully and safely at all times and park in a designated bay if you are parking at the front. Please avoid blocking other people in when you park and ensure you leave enough space between cars for people to take younger children from the back seat of their car.

Many Thanks

COMING UP:
