

Message from the Senior Management

Induction Day will take place throughout the school on **Wednesday 26th June**, and children will be spending the day in their new class. Years 1, 3 and 5 will be staying in the same class but will be taught as their next year group, while years 2 and 4 will transition to their new class and teacher. Children will have the chance to experience how their life will be in September and to ask any questions they may have about their new routine. Year 3 and 4 will spend the day getting to know Sarah Hogg, their teacher for September, while Year 6 children will spend the morning bowling followed by Pizza with Serena, and an afternoon of art and crafts with Viv. In all other respects your child's day will remain the same. Should you have any questions, please speak to your child's class teacher in the first instance, who will help you or redirect you to your new teacher if necessary.

SATs

All children have now completed their SATs! Their standardised scores will be recorded on their summer

report, which you will receive in your parent pack early in the summer break.

Lower Primary Trip to Ascot

Tuesday 18th June

Lower Primary children are disappointed to have their Ascot trip cancelled but due to Met Office weather warnings regarding heavy rain, flooding and severe thunder storms, there is little choice but to cancel. Instead, the children have voted to have a teddy bears' picnic at school (Crumbs will still be providing a packed lunch for children who have school meals), so please can all Lower Primary children bring their favourite ted to school tomorrow.

Summer Funday **Wednesday 10th July**

FoMM are looking for donations for our Summer Funday. Please see the poster in the entrance which lists the items we are in need of.

Class liaisons will soon be seeking helpers to assist in preparations on **Monday 8th and Tuesday 9th July** as well as the big day itself! Volunteers are required to set up, man, then clear away individual stalls.

As Funday is a whole school event organised by parents, we appreciate any contribution you can make.
