

Here we are at the end of our first half term into the academic year. Everyone has worked so hard and pushed through to get to the holiday, I'm sure we can all agree that we deserve the break. I imagine there will be lots of PJ and snuggle days ahead!

When we return after half term, the weather is likely to have changed and we are therefore adapting some of our regulations to cater for this next period. Children will be required to have an indoor and outdoor change of shoes, so please make sure they all return with their wellies as well as suitable indoor shoes. Please also make sure children have their coats daily, as they will not be able to play outside if it is raining without one.

For those of you new to our community, it is also worth mentioning that during the winter months, the chance of flooding in our local area increases quite considerably and, when it gets colder, Malt Hill is also prone to black ice. This means that, on occasion, the road may become inaccessible or the conditions may be such that the school has to close. In the event of this happening, you will be notified by text message and Parent Mail as early in the morning as possible, and we will also send out a warning Parent Mail the evening before when severe weather is predicted. Luckily, since we practised learning remotely in lockdown,

these odd days won't stop us now! It will, of course, still be expected that you would rather play out than study on 'snow days', but there will also be work there for those of you that want it.

Harvest Festival

Many thanks to all of you for your overwhelming generosity in contributing to our Harvest collection this year. The food bank at the Kerith Centre will be so pleased to receive your donations of food and toiletries. Thank you to John for dropping all the things off!

After School Clubs

So many of you have signed up for our after school clubs, that we are pleased to report that ALL of them will go ahead! Clubs will start the first week back and will run for 5 weeks.

Congratulations to Joshua Page (Y1) and Amelie Page (YR) who have successfully completed their gymnastics trials at Phoenix Gym to be awarded a place on the gym

squads. They now have the opportunity to delve into elite gymnastics as they progress, and their mum Jen is super proud of them. Well done the Pages! Keep us updated!

HAPPY BIRTHDAY JOSHUA PAGE and WILL GRANADOS, who have had and will have birthdays respectively! Please don't forget to follow us and like us on Twitter and Facebook!

Have a great half term everyone!

Sarah
