

Head Teacher's Message

I would like to start this week's comms by saying a special thank you to each and every member of staff at Meadowbrook, who have made such an effort to ensure life at school is as 'normal' as it can be. Our summer plans are in full swing and you will soon be receiving details about our first extra-curricular event, Twilight Delight. Plans with FoMM to host community events are beginning to develop and I can feel an air of anticipation and excitement building among the children (and staff!) as we talk about our plans. Roll on summer!

By now, I am sure you are all aware that we will be saying goodbye to our beloved Rosemary at the end of term. Rosemary has been at Meadowbrook, in the capacity of parent, then staff member, since 2005 and her contribution to the school over the years is simply immeasurable. Thank you Rosemary!

Digital Update

We have recently had our internal digital systems updated, which has resulted in children having their email

passwords reset to the default password originally used. If your child changed their password during lockdown these will no longer be active. If children change their passwords again, they MUST inform their class teacher please or they might find themselves unable to access some ICT lessons.

Coats and Shoes

Please remember to have a coat and a change of shoes for playtime. You don't need wellies at this time of year, but you must have slippers, Crocs, sandals or smart shoes to wear inside if you wear your trainers outside. We don't want some of you to miss play again if it's raining!

Homework and Reading

This week, all children in Primary classes (years 1-6) will have received homework and spellings. Please ensure you understand your child's homework routine and speak to the class teacher if you feel this has not been communicated to you.

If your child has difficulty with their work, or if they have not had time to complete it, please encourage them to be bold enough to talk to their teacher directly. It's valuable practise!

Twilight Delight

We are SO excited to be able to offer our classes their termly Twilight Delights! For those of you that haven't been to one before, Twilight Delight is an opportunity for children to come back to school (or stay at school if they are in After School Club) to have dinner and some fun with their friends and teachers.

Lower Primary's TD will be on **Friday 14th May**

5pm-7pm

while Upper Primary's will be on **Friday 21st May**

You will shortly be receiving a letter from your class teacher (if you haven't already) with more details about this event but please save the dates!!
Please refer to your child's class teacher if you have any further questions.
